

DHR-5 Automatic Winding Machine for 50KVA-630KVA Transformers with Circular Coil Form and PLC Control

Our Product Introduction

for more products please visit us on jc-transformer.com

Basic Information

- Minimum Order Quantity: 1
- Price: 3000

Product Specification

- Model NO.: DHR-5
- Outer Diameter: < 600mm
- Axial Height: <800mm
- Coil Form: Circular, Oblong, Elliptical, Rectangular
- Wire Specification: Enameled Wire
- Dimensions: 900*900*900
- Production Capacity: 60000PCS/Year
- Transformer Capacity: 50KVA-630KVA
- Control System: PLC And Servo Motor
- Wire Coil Type: Low-voltage Foil Coil, High-voltage Coil
- Core Type: Amorphous (silicon Steel) Triangular Coiling Core
- Automation Level: High
- Transport Package: Wooden
- HS Code: 847981100

Product Description

DHR-5 Triangle Stereoscopicreel-Iron-Coreautomatic Winding Machine

Product Overview

This automatic, intelligent multi-function winding machine is specifically designed for winding core coils of amorphous (silicon steel) triangular coiling core transformers. Ideal for production of low-voltage foil coils and high-voltage coils in 50KVA-630KVA amorphous (silicon steel) triangular coil core transformers.

Technical Specifications

- Automated control system with PLC and servo motor technology
- High precision winding for consistent coil quality
- Suitable for circular, elliptical, oblong, and rectangular power transformers
- Optimized for amorphous high-voltage coil production

Primary Applications

This equipment is engineered for winding various transformer types including power transformers, distribution transformers, and reactances, with particular efficiency in amorphous core applications.

Manufacturer Profile

Our company specializes in transformer production equipment with 115 invention patents, utility model patents, and software copyrights. Our product line includes:

- Foil winding machines
- Automatic high pressure winding machines
- Triangular three-dimensional core foil winding machines
- Amorphous triangular core high/low pressure integrated winding machines
- Specialized transformer production equipment
